

CFEWS International Student Undergraduate and Graduate Virtual Symposium- Spring 2024 CALL FOR ABSTRACTS

Future Farming for the Net-Zero Emissions Goals

May 8-9, 2024 | 8:30 AM-11:30 AM

<https://tennessee.zoom.us/j/93010807767>

About the CFEWS program

The United States National Science Foundation funded Climate-Smart Food-Energy-Water Nexus in Small Farms (CFEWS) aims to develop innovative, integrated climate-smart food-energy-water nexus solutions (CFEWS) based on the principles of circular bioeconomy. This workshop provides a unique opportunity to bring university students from around the globe together to share in their work.
