

August, 2024

Dear colleagues,

The **Private Agricultural Laboratories Association (ALAP)** and the **Faculty of Agricultural Sciences from the National University of Córdoba (UNC)** are pleased to invite you to the **2nd ARGENTINE SEED CONGRESS**, to be held in the city of Córdoba, Argentina on November 28-29, 2024 at the Reforma Auditorium of FCA-UNC.

Under the slogan "**Sustainability in Motion**", this congress aims to mobilize the scientific field of our country, bringing together national and international, public and private entities, to reach out to the entire community. Crucial topics related to the quality, production, conservation, and commercialization of seeds will be addressed, covering various species of extensive crops, horticulture, forage, forestry, and new developments within the framework of Sustainability. Additionally, updates of ISTA and INASE will be presented.

In this **FOURTH CIRCULAR** we inform you of the fees, the registration methodology, the format of abstracts and the rules for submitting papers.
